DECEMBER 2025

Hello AWES Families...

It is so hard to believe that we are entering the month of December! We are a short three weeks away from the holiday break but those weeks will be busy!

Teachers have spent a great deal of time crafting term one report cards which will go home this week. Progress conferences are scheduled for Thursday and our Holiday Concert will take place on the 9<sup>th</sup>. Please take a look at the other upcoming dates including our spirit week and school wide turkey dinner.

As we head into the holidays, the AWES staff wishes everyone a restorative, restful break.

Please reach out should you ever have questions or concerns.

## Guidelines for school and/or bus cancellations due to weather

It is HRCE's goal to communicate any changes to the regular operations of schools and/or school buses as close to 6:00 a.m. as possible.

### A 6:00 a.m. announcement could be:

- All schools are delayed in opening by two hours; or
- All schools are open, but some or all buses are not operating for the day; or
- Some schools (either individually or by family) are closed for the day; or
- All schools are closed for the day.

If weather deteriorates, or is forecasted to worsen throughout the morning, an 11:00 a.m. announcement could be:

- Bused students will be picked up two hours earlier than their regular dismissal time; and
- Walking students will be dismissed at their regularly scheduled lunch hour.

If there are any changes to our regular operations, we will communicate in the following ways:

- By email to the addresses in PowerSchool
- By text message, if you have opted-in. If you aren't sure if you have opted-in, text Y to the following number: 978338
- On our website [www.hrce.ca](http://www.hrce.ca)
- On X (formerly Twitter) at [twitter.com/hrce\\_ns](https://twitter.com/hrce_ns)
- On Instagram at [instagram.com/hrce\\_ns](https://instagram.com/hrce_ns)

Remember: Parents/guardians always have the right to keep their child home from school if they believe that the travelling conditions are unsuitable.

How does Halifax Regional Centre for Education (HRCE) decide on school and/or bus cancellations?

- By 4:30 a.m., HRCE staff begin to gather information from:
  - A contracted weather service that provides radar and satellite imagery, real-time road conditions and weather warnings;
  - A meteorologist who provides forecast details, level and type of precipitation and impact on road conditions;
  - HRCE's transportation service providers, who provide updates on road conditions in their area;
  - Municipal and provincial transportation staff; and
  - Other local weather services, including Environment Canada and The Weather Network. By 5:30 a.m., HRCE staff make recommendations to the Regional Executive Director (or designate), who then makes the final decision. This decision is communicated as close to 6:00 a.m. as possible.

**Most days, students will be spending time outside at recess & lunch. As the weather begins to turn, it is important that students are dressed appropriately with jacket, hat, mittens, etc. We keep many items on hand at the school. Please do not hesitate to reach out if your child requires items.**

We're excited to share a new online resource designed to help families understand how technology supports student learning in HRCE. This page provides an overview of how tools like Chromebooks and Google for Education are used in classrooms, what provincially approved online platforms students may access, and how student privacy is protected. You'll also find information about Nova Scotia's guidance on the provincial cell phone expectations, tips for supporting online safety and digital citizenship at home, and an introduction to how students are learning about artificial intelligence in a thoughtful and responsible way. It also includes answers to common questions about screen time, passwords, communication during the school day, and more.
